SERVING MISSOURI

Hey friends, Jay Ashcroft here. How many
people really know what the Missouri
Secretary of State's Office does?

We are sometimes called the filing
cabinet for state government and
encompass a myriad of different divisions
that work to make it easier for you to live,
work and do business in the beautiful
state of Missouri. From keeping elections
secure, to preserving a Mark Twain
original manuscript, to providing books
and materials for the visually impaired,
we are here to help.

Inside you will find a brief description
and highlights from the divisions of the
Secretary of State's Office. Check out our
website and social media pages listed
on the back fold, or come by my capitol
office to find out more about how we
serve Missouri.
